Reg. No. A0045982R.

We thank you for your interest in the Fordson Tractor Club of Australia Inc. The Club was formed in May 2004, and we now have many Members throughout Australia and Overseas.

A team of dedicated Office Bearers and Committee are Elected annually to attend to the business of the Club. At this present time our Board Members come from across Victoria, South Australia, and Queensland.

In 2019 the Fordson Tractor Club Gathering was held in West Australia. Fordson enthusiasts travelled from NSW, South Australia, Queensland, and Victoria, and enjoyed a great 8 days of tractors, collections and museums. The traditional Fordson Dinner was held as well as a General Meeting.

These social events are held in different areas or States depending on where our Host Club Members live. Over the past years, we have had Club Gatherings in Shepparton, Vic, Toora, Vic, Alstonville, NSW, Waikerie, S.A, Werris Creek & Quirindi, NSW, Oakey, Qld, Barham, NSW. Boort, Vic, Ararat, Vic, Corowa, NSW, Nyah, Vic, & Tooleybuc, NSW. Our next Fordson Club Gathering will be in Werris Creek, NSW. Throughout the year, the Club normally displays at various Vintage Tractor & Machinery Rallies across Australia.

In September 2017 the Fordson Tractor Club celebrated '100 Years of Fordson Tractors' at Deniliquin, NSW, and for this milestone in Fordson Tractor history we had a showcase of 163 Ford & Fordson Tractors and related Conversions, with indoor displays. And, in May 2023 the Club celebrated its '20 Years' Anniversary.

Our Club Newsletter 'Power On The Land' is posted out to Members, three times a year (April, August and December) to keep you informed of these events and all the Fordson Tractor news.

Members' articles and stories are always welcome for publication in our Newsletter.

The Fordson Tractor Club of Australia Inc., is for all people who have a common interest in the Fordson Tractor. You do not have to own a Fordson Tractor to become a Member. Some of our Members just collect the Scale Models, some collect original Fordson Sales Brochures, other collect Fordson Tools, and some Members are just reliving their past when a Fordson worked on their farm in days gone by.

Enclosed is our 'Application for Membership' Form for you to complete and sign. On return, a copy of our current Newsletter 'Power on the Land' will be forwarded to you.
